

Meet the Teacher - 1FH

## Welcome to Class 1FH

*A welcome message from Miss Fletcher - Hurley* Hello and welcome to Year 1FH! I am so excited to be your child's teacher as we embark on an exciting journey of learning throughout the year. I have only been teaching for three years and I absolutely love it, before I became a teacher I was worked at Blackpool Zoo and also as a Police Officer. 1FH will be supported by Mrs Palmer who has been working in KS1 for a while and has lots of experience especially phonics. She has a caring nature and always put the children's needs at the heart of everything she does. This will be my first year of teaching Year 1 at SJV having been in Year 3 for a couple of years. In Year 1 our aim is to ensure that the children experience a smooth transition from the Foundation Stage to Key Stage One. At SJV our Year 1 curriculum builds upon and extends the experiences that children have had in Reception and the Early Learning Goals. Learning through play will continue to be an important part of the school day, and the children will gradually be eased into more formal learning as the year goes on so that they remain motivated, enthused and eager learners. In 1FH our classroom is a place for your child to grow but most importantly the children have the ability to discover, be creative and also enjoy learning. During our time in Year One we will be on a journey, our classroom is a safe space as well as an positive and engaging environment. I am very passionate about music and drama and hopefully I can share this passion with my class. I want the children to be confident and to start discovering their passions and finding the best way for them to learn. I am very excited to get to know each and everyone in 1FH and create some positive relationship with them and I will work alongside you to support your children in all aspects of the curriculum. It is going to be a very busy but amazing year and I cannot wait to see each child grow and start to see them achieve their full potential!

## The Year 1 Team and Learning Environment

**Our Senior Leaders:** Mrs C. Evans (*Headteacher*) Mr P. Duffy (*Deputy Headteacher*) Mrs K. Arrowsmith (*Assistant Headteacher and SENDCO*) **Team Leader:** Mr C. Walsh (*Class 2W Class Teacher and Year 1 & 2 Team Leader*) **The Year 1 team:** Miss M Fletcher-Hurley (*Class 1FH's Class Teacher*) Mrs A Palmer (*Class 1FH's Teaching Assistant*) Miss K Bridge (*Class 1B Class Teacher*) Mrs E Thompson (*Class 1B's Teaching Assistant*) Mrs J. Martin (*HTLA Cover for both Year 1 classes*) Mrs T Dickinson (*Teacher Cover in both Year 1 classes*) If at any time during the school year you have any queries, please do not hesitate to contact school to arrange a convenient time to meet with your child's class teacher. We want to work together to create a strong home and school partnership to ensure that we meet all the needs of your child.

## The Year 1 Curriculum

As we prepare to welcome your child into Year 1, we want to share some exciting insights into the year ahead and the incredible journey that awaits them. Year 1 is an exciting year in your child's educational journey where they make significant and noticeable progress across various aspects of the curriculum. One of the cornerstones of Year 1 is fostering independence. This increased independence empowers them to become confident, self-reliant learners who are excited to explore new horizons. Year 1 is a year filled with boundless opportunities for exploration, growth, and discovery.

While Year 1 marks the transition from the Early Years Foundation Stage (EYFS) Framework to the National Curriculum, rest assured that we will ensure a smooth transition. We are committed to ensuring that all children are secure in the Early Learning Goals before progressing to the Year 1 National Curriculum, providing a seamless and well-rounded educational experience.

The development of reading skills is a key focus in Year 1. Reading is not only essential for academic progress but also for nurturing a lifelong love of learning. Phonics will be a central component of our curriculum, laying a strong foundation for your child's future reading success. We would be grateful if you continue supporting their reading journey at home by dedicating time to read together every day. This consistent practice is crucial for their progress.

At SJV education extends beyond the classroom and we are dedicated to providing children with enriching experiences and immersive learning opportunities that contribute to holistic growth. Some of these include our annual trip to the Lytham pantomime in December and our school trip to Ridgeway Farm.

We are excited to be part of your child's educational journey and our dedicated Year 1 team are here to support and guide them every step of the way. We value your partnership in your child's education and encourage open communication throughout the year

## St John Vianney Catholic Life

Our curriculum continues to place significant importance on Religious Education (RE), ensuring its central role in shaping children's learning experiences. In Year 1, our children will delve into their RE

lessons by progressively narrating key events from the Bible, both orally and in written tasks. They will also be taught the invaluable skill of asking thoughtful questions, fostering a deeper engagement with the teachings and stories from the Bible. At St John Vianney, we believe in the transformative power of a Catholic education. Our mission is to nurture the complete potential of every young individual, guiding them to lead lives that are forever influenced by the Spirit and the presence of Christ by '*Seeking Growth Together through Jesus*'. Rooted in Gospel values and the teachings of the Catholic Church, our educational approach centres on the holistic development of each child. As a result, we prioritise the development of each child, valuing their personal journey of faith, compassion, and service to others as much as the academic excellence we provide. Through this comprehensive approach, we aim to nurture children who not only excel academically but also carry the light of Christ into their lifelong endeavours, making a positive impact in the world around them. Bringing our children together as year groups to attend Mass creates a powerful sense of unity and community within our school. These shared spiritual experiences allow our children to witness the beauty of worship and faith in a collective setting. Additionally, celebrating feast days as a school further deepens our connection to our Catholic heritage, providing meaningful opportunities for reflection, gratitude, and devotion to the teachings of the Church. On special feast days and occasions, we extend an open invitation to all our families, warmly welcoming you to join us in these celebrations. Throughout the term, Children's Liturgy takes place during the 11.15am Mass at St John Vianney, led by our school teachers. This allows children and their families to participate in Mass while the children engage with the Gospel on a level suitable for them in the Chapel. Fr Loughran welcomes families to Mass and then invites the children to join the liturgy and they are supervised and then return to Mass before the celebration for the Eucharist. Your presence with us would be greatly appreciated and welcomed.

## Additional Information

- **PE Days**

Our PE days are scheduled for Tuesdays and Wednesdays, and we kindly ask that children come to school dressed in their complete SJV PE kit on these days.

- **X - Formally known as Twitter**

We use Twitter as an online platform to share the children's learning experiences with parents and families, this allows us to share insights into learning inside the classroom on a daily basis! It's simple to join Twitter and follow **@SJVYear1**; we welcome positive comments and feedback on this platform. Furthermore, our school website's curriculum pages also display these tweets, providing an

additional avenue for engagement. Our school website: [St John Vianney Catholic Primary School | English Hubs \(stjohnvianneys.co.uk\)](https://stjohnvianneys.co.uk)

- **Newsletters**

Expect to receive regular newsletters containing updates on school-wide news, awards, and important dates such as class assemblies and whole school, year group or class events. Additionally, our school app will remain a reliable channel for efficiently communicating essential information to you.
