St John Vianney School

Single equality plan

St John Vianney RC School is dedicated to ensuring that all members of the school community and the wider community are treated equally, fairly, and with respect by the school and by each other in accordance with the public sector equality duty. This applies to the school as a place of education, a business, and an employer. Prejudice, discrimination, and victimisation are not tolerated, and we work hard to instil in our pupils a strong understanding of right and wrong, including the importance of inclusion, acceptance, and compassion towards others. The school's main priority is to provide the best education and care that we can, and establish a cooperative working relationship between home and school, so as to aid the development, progress, and needs of all the children in our care.

This plan sets out how the school will satisfy its duties under the Equality Act to eliminate all behaviour prohibited by the Equality Act 2010, to foster good relations between persons with and without protected characteristics and promote equality of opportunity regardless of whether a person has a protected characteristic (such as race, gender, transgender, disability, age, pregnancy and maternity, religion or belief and sexual orientation). The school aims to comply with this duty, in both the delivery of its services and the employment of its staff. It is created by St John Vianney Catholic Primary School's governing body with the help of key stakeholders in line with the Equality Act 2010 and is the foundation of all the school's other policies – particularly the **special educational needs policy, admissions policy, anti-bullying policy** and the **behaviour policy**. All of these policies can be found on the School Website.

Through the creation of this equalities plan, we have been able to develop a better understanding of what the challenges to equality are within the school and how we can best deal with these. The current summary of equality based actions being undertaken by the school is set out in annex A. This document will be reviewed annually, or any time there is an update or change to equality legislation, to ensure that it is being effectively implemented and remains focused and up to date on issues surrounding equality both within the school and nationally.

A protected characteristic under the act covers the groups listed below:

Roles and responsibilities

Creating a school environment that promotes equality and denounces discrimination is a whole-school responsibility and requires all members of the school community to be actively involved in breaking down barriers to learning and barriers to social and emotional development that prejudice can create.

Individuals in the school are expected to take responsibility for supporting and promoting equality in school above and beyond the responsibilities listed below. The Assistant Headteacher/SENCO has the day-to-day responsibility for coordinating the implementation of this scheme.

- report to parents, carers, and the wider community on the progress of the school's equality plan through the school prospectus, the school website, and the school's annual report.

The headteacher and senior leadership team

- set a good example regarding behaviour and social awareness to younger pupils and their peers.

Parents, carers, and visitors

Parents, carers, and visitors to the school are expected to:

- work with the school to resolve any incident relating to discrimination or victimisation that their child is involved in
- respect and follow our equality when visiting the school.

Key groups at risk

While the school recognises that any person or group of people can become victim to discrimination, victimisation or unfair treatment, people may be more at risk of becoming victims of inequality due to:

➤ **Race**

St John Vianney Catholic Primary School is committed to an inclusive policy which encourages good relationships, mutual understanding, the celebration of diversity together with mutual respect and trust. The school has adopted and will follow the Local Authority advice and guidance regarding the reporting of any racial incidents.

➤ **Disability**

We will ensure that pupils with disabilities have the same opportunities as non-disabled pupils.

You can find all the information about our school's SEN provision including our provision for inclusion in the school's **SEN policy** and the school's **accessibility plan**.

➤ **Gender and transgender**

➤ **Religion or belief**

➤ **Sexual orientation**

Promoting equality and social awareness in school and within the local community

Community cohesion

The school expects all of its students and staff to act respectfully towards members of the wider community that the school is part of.

Inclusion

Promoting and practising inclusion in school lessons, around the school site, during all school activities and into the wider community is a key part of developing a positive attitude towards equality and people from different backgrounds. You can find more information regarding our provision for and policy on inclusion for SEN in the school's **SEN policy**.

Pupil voice

Through our support of student voice we encourage our pupils to have confidence in voicing their opinions and taking responsibility for the world around them. It is important that we teach our children how to engage in mature social interactions and get along with a variety of different types of people. This is developed through student voice by interactions between pupils from different year groups, pupils and staff, and pupils and the wider community.

Our School Council meet monthly and this group is led by Mr Duffy

Recruitment

St John Vianney Catholic Primary School is committed to providing equality of opportunity for all and ensuring that all stages of recruitment and selection are fair. Recruitment and selection procedures will be reviewed on a regular basis to ensure that applicants are not discriminated against on the grounds of race, nationality, gender, religion, age, disability, marital status, pregnancy and maternity or sexual orientation. St John Vianney Catholic Primary School acknowledges that unfair discrimination can arise on occasion and so will ensure that the equal opportunities policy outlined in this plan is the foundation for all its activities.

Where a candidate is known personally to a member of the selection panel it will be declared before shortlisting takes place. It may then be necessary to change the selection panel to ensure that there is no conflict of interest and that equal opportunities principles are adhered to.

(More information about our recruitment procedures can be found in the school **recruitment policy**.)

Staff

Equal opportunities for staff

As part of our commitment to the implementation of equal opportunities principles and the monitoring and active promotion of equality in all aspects of staffing and employment, the school will ensure that:

- all staff appointments and promotions are made on the basis of merit and ability and in compliance with the law;
- staffing of the school reflects the diversity of our community wherever possible;

- as an employer we strive to ensure that we eliminate discrimination and harassment in our employment practice and actively promote equality across all groups within our workforce;
- we respect the religious beliefs and practice of all staff, pupils and parents, and comply with reasonable requests relating to religious observance and practice;
- we ensure that all staff, including support and administrative staff, receive appropriate training and opportunities for professional development, both as individuals and as groups or teams.

Staff discipline and suspension

St John Vianney Catholic Primary School is committed to ensuring that all school staff are treated fairly and consistently and this is held to account through our **staff discipline, conduct, and grievance policy**.

The education and wellbeing of our pupils is our main priority. Any member of staff who creates a barrier to learning for our pupils will be disciplined. The **school's staff appraisal policy** provides more information on how the school monitors staff performance. We hope that staff will feel confident to voice complaints and grievances in the confidential environment of the school and that they will trust the school to deal with their grievances fully, promptly, and fairly. The school puts great faith in all its employees, and hopes never to have to discipline anyone as a result of misconduct.

Behaviour, exclusions and attendance

The school **behaviour policy** takes full account of the duties under the Equality Act. We make reasonable, appropriate and flexible adjustments for pupils with special educational needs and disabilities. We closely monitor data on exclusions and absence from school for evidence of over-representation of different groups, and will take action to address any concerns that arise in this area.

Read our school **attendance, behaviour and exclusions policies** for more information on the processes surrounding these topics.

The curriculum

Equality is explored as a means of personal and social development. This is prominent in our PSHEE curriculum, but may be discussed within other subject courses as appropriate.

Monitoring and review

This single equality plan will be reviewed annually by the governing body, unless there is specific reason for it to be reviewed earlier (for example an incident involving members of the school community or new legislation). Governors will review how effective it is in

tackling discrimination, promoting access and participation, equality and good relationships between different groups, and that it does not disadvantage particular sections of the community. Governors will also review evidence that it is being put into practice in school by staff and pupils, and whether there is any need for extra training or development sessions across the whole school to ensure it is promoted and implemented as much as possible.

Information will be gathered through:

- identification of children and young people, parents, carers, staff and other users of the school representing the different protected characteristics. This helps us develop and monitor the scheme. Comprehensive and sensitive efforts are made to collect accurate information and meet security of information requirements, in addition to our duty to secure accurate information relating to ethnicity and first language;
- pupil attainment and progress data relating to different groups;
- children's and young peoples' views, actively sought and incorporated in a way that values their contribution;
- information about how different groups access the whole curriculum and how they make choices between subject options;
- sports and activities choices of all groups;
- uptake of the extended school offer by group;
- exclusions data analysed by group;
- records of bullying and harassment on the grounds of any equality issue;
- data on the recruitment, development, and retention of employees;
- outcomes of activities promoting community engagement and community cohesion;
- outcomes of actions taken to secure the involvement of parents and others who have been identified as difficult to engage.

At regular intervals throughout the year the headteacher will provide **monitoring reports** for review by the governing body. These will include:

- progress against targets relating to equality and future plans
- school population
- recruitment and retention
- key initiatives.

Outcomes

One of the most important indicators of how successful we are as a school in promoting equality and eliminating discrimination are the outcomes for various individuals and groups. Where robust analysis of outcomes reveals poorer outcomes for any particular groups, an impact assessment will be carried out and an action plan put in place to aid these outcomes. Action plans will outline:

- objectives and specific actions to be taken
- expected impact and indicators of achievement (success criteria)

- clear timescales
- who has lead responsibility
- resource implications
- specified dates for review.

Equality impact assessments

Impact assessments are carried out as part of the review of all school policies and assess whether school policies or plans are having a negative or adverse, or positive impact on groups and individuals within the school community.

We aim to empower our pupils to make informed choices so that they are better prepared for the opportunities, responsibilities and experiences of life within their community. Equality of opportunity cannot be realised without the involvement and commitment of all members of the school community and a common understanding of the pivotal role of equal opportunities in the context of the school's ethos and values, in particular, the recognition that the role of all staff is crucial in the delivery of the objectives of the policy.

All members of the school community are responsible for promoting the school's equal opportunities policy and are obliged to respect and act in accordance with the policy.

Reporting on our progress

Governors have a duty to ensure that policies are regularly monitored and reviewed.

Monitoring is an essential aspect of this policy, as it should provide important information by which the school can measure its performance against its aims and objectives. Statistical information can also enable the governors and head teacher to detect where potential or actual imbalances exist and to take steps to correct them.

Monitoring with respect to employment will be undertaken in the following areas on at least an annual basis by sex, race, disability, grade and subject area:

composition of the school staff;

recruitment trends;

take up of training opportunities;

promotion patterns;

use of complaints procedure;

use of grievance, disciplinary, harassment etc;

use of sanctions;

take up of family-friendly policies, eg flexible working arrangements.

Exit interviews can also provide further helpful information and feedback.

Governors should ensure that the *Equal Opportunities Policy* is reviewed on an annual basis.
